Homewell Practice

The home of wellbeing in Havant

October 2025

Have you booked your Covid or Flu Vaccination?

Due to government changes the eligibility for the COVID vaccination has changed which means less people are eligible. Please speak to one of the team to see if you are eligible or book in for your other vaccinations.

Welcome

We're glad to bring you the latest updates from your local GP surgery. At Homewell, we're here to support your health and wellbeing with trusted care, helpful advice, and services tailored to your needs. In this issue, you'll find seasonal health tips, important clinic updates, and ways to stay connected with our team.

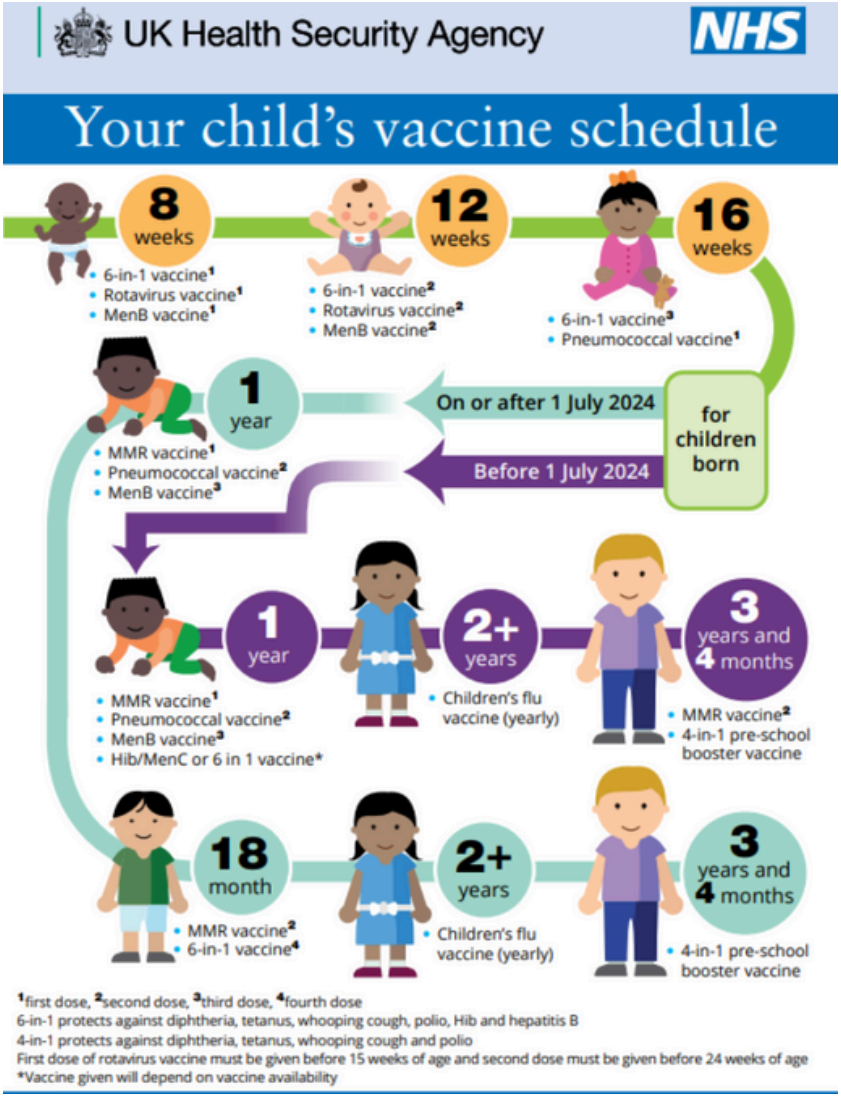

New Salaried GP's

You may have met already our 3 new Salaried Doctors - we would like to give them a warm welcome to the practice.

- Dr Wesam Elmurghrbi - Male
- Dr Fatimat Olorunjuwon - Female
- Dr Ifeoma Obioma - Female

Congratulations

To Emily Bond our clinical pharmacist, who was awarded GP/PCN Pharmacist of the Year at the Chemist & Druggist Awards last month.

Changes to the childhood immunisation schedule has come in to effect - please see schedule to what your child may require.

Any child between 2-3 years old will be offered a FLU vaccination at the practice.

All other children will be vaccinated at School or by School Nursing teams.
